Greetings vendors!

Spring is upon us and we're gearing up for another great market season! We will continue to be located in the Town of Taos parking lot. **Our season will run every Saturday from May 11<sup>th</sup> through October 26<sup>th</sup>.** We hope you join us!

**APPLICATIONS:** Enclosed in this packet is a copy of our updated market rules, and an application for you to complete and mail back. If you would like an application for a category other than what is included, please contact me (contact info is above). For non-farmer/nursery vendors, which include **value-added producers, bakers, and prepared/hot food vendors, all applications are due before or by April 1<sup>st</sup>!**

Please read the enclosed Rules & Regulations carefully, there are a few minor changes this year. Here are the highlights:

- We are inviting **six (6) Value-Added Producers, seven (7) Bakers, two (2) Prepared/Hot Food Vendors, & seven (7) Nursery or Cut Flower Vendors** to join us this year. These applications will be reviewed and approved by the Market Board members this year, and not the management.
- Due to our increased electricity expenses that we pay to the Town of Taos, we are modestly increasing electricity fees for those vendors that need it.

Finally, we are holding our annual **Spring Taos Farmers' Market Vendors Meeting on April 13<sup>th</sup> at 1:00 PM. The meeting will be held at the Taos Library Meeting Room,** located at 402 Camino de la Placitas, Taos, NM 87571. If you wish to reserve a particular space, you should attend, as this is where we do your *space allocation*, first come, first serve. Apart from that, we highly encourage your presence as it is a time to meet one another, share new information about the upcoming season, discuss and listen to your opinions in a positive and constructive manner. We will also introduce our new market managers and board members. You are warmly invited and we hope to see you there!

We look forward to seeing you soon and sharing a bountiful 2013 season!

Kirry Nelson  
TFM Business Manager
