

Taos Farmers' Market - Vendor Agreement

Mission: The Mission of the Taos Farmers' Market is to support, promote and expand local agriculture by providing a premier market for local farmers to sell meat, eggs, dairy, produce, and plants.

Purpose: This Vendor Agreement will be implemented and enforced by the Taos Farmers' Market (TFM) Board of Directors and Market Staff to facilitate the smooth operation of the market. They may be revised or amended by the Board from time to time with or without notice.

1) Vendor Categories:

- a. During peak season, Taos Farmers' Market strives to maintain a vendor ratio of 80% farmers/ranchers to 20% non-farmers (value-added, baker, prepared food). Because there are a finite number of spaces at market, the Board may suspend the allocation of spaces to any category or subcategory of vendor in order to keep with the above ratio, or for any reason deemed appropriate.
- b. During non-peak season, the Board may allocate market spaces in variance to the vendor mix ratio. The variance may be granted for a finite period of time with the understanding that the vendor will work with the Board to meet conditions of the variance. The conditions of the variance will be reevaluated should additional spaces be secured by TFM.

2) Important Market Dates

- a. Farmer / Rancher Vendors need to submit their application one week prior to selling at the market.
- b. Non-Farmer Vendors need to submit their application by April 1st, 2022. These spaces are limited and selected annually by the Board of Directors, based on criteria outlined in the Non-Farmer application.
- c. Spring Vendor Meeting
 - Will be held at **1:00pm on April 30, 2022 at the Taos Plaza Gazebo** (outside).
 - Anyone who plans to attend the market as a vendor at any time during the season needs to attend this meeting.
 - This is the only time to reserve your space when paying for full season vendor fees and other services (electrical or vehicle parking). Reserved spaces will be assigned by the Board based on seniority and preference as indicated in your completed Vendor Application turned in before this meeting. Familiarize yourself with the Market Map and come prepared with your space preferences.
- d. Annual Meeting
 - The Annual Meeting and board election will be held at 1:30 pm on October 15, 2022, in the Taos Plaza Gazebo on the Plaza after market.
- e. Market Season
 - Taos Farmers' Market will start the third Saturday in May (May 14, 2022), and will run through the last Saturday in October (Oct 29, 2022).
 - We will hold 3 additional markets in November from 9am-12pm, based on vendor interest and weather permitting, to be announced by/before the Annual Meeting (10/15/22).
 - The November markets will not be covered under the reserved space fee or full season vendor fees, an additional fee for these markets may be applied.

3) Time & Location

- a. The Market will begin at 8:00 am and close at 12:30 pm. All vendors, tents & vehicles, must be completely out of Plaza by 2 pm.

 - \$560.00 for May 14th through October 29th. This includes a reserved space.
